In response to the Notice Regarding Drawings dated September 2, 2005 from Joshua D. Chase of the Office of Patent Publication, Applicants enclose herewith corrected drawings (9 pages) representing Figures 8, 9, 10, 11, 12, 13A, 13B, 14A, and 14B. Applicant respectfully points out that, despite the pendency of the Notice, Letters Patent was issued on October 18, 2005. Following a call to the Patent and Trademark Office, Applicants were advised to respond to the above Notice Regarding Drawings and to enclose the corrected drawings in order that they be made part of the U.S. Patent and Trademark Office records, but that no formal correction would be required.

Conversely, if the Office of Patent Publication deems further action is warranted, Applicant respectfully requests further instruction.

Respectfully submitted,
